

## **Image References**

The three composite/Photoshop images are images I made from a previous digital media course.

I made the first image present on the page with Canva. I retrieved the University of Houston and University of Central Florida (UCF) logos from Google Images.

Photo of UCF's reflection pond retrieved from

<https://www.flickr.com/photos/absnikon/5542314526/in/photostream/>.

Photo of UCF's knight retrieved from Google Images.

The gradient background was created on <https://mdigi.tools/gradient-generator/>.
